

New Spring 2026 Styles
Recovery + Support

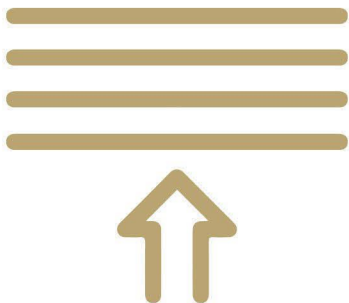

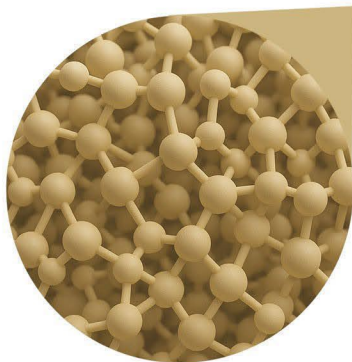

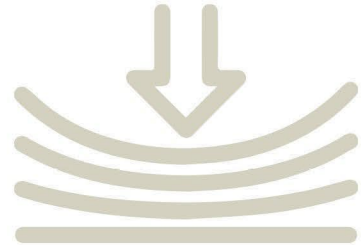

Recovery + Support

Dual Comfort Technology: Soft on Top, Strong on the Ground

Through advanced material formulation and precision manufacturing, we've developed a unique dual-layer EVA structure fused seamlessly into one piece.

Adaptive Upper Layer

The upper layer delivers a smooth, cloud-like feel that gently conforms to your feet, offering personalized comfort

Built for Stability

Beneath, the firm and supportive outsole provides stability and durability, making it ideal for both indoor and outdoor wear.
